Dear Stakeholder

School Admission Number change

We are writing to you as part of a consultation process with the school stakeholders to notify you of a change in the school admission number from September 2018.

The agreed admission number in reception for September 2018 will be 120 pupils. This is an increase of 30 from 90 at September 2017. The school is applying to the Educational Funding Agency to increase its Funding Agreement to accommodate this change.

If you would like to comment on this change, please do so in writing addressed to the Clerk to the Governors, by the 31st March 2017.

Yours faithfully
