## Pupil Premium Report

*Last updated 1/2/14*

Pupil Premium is funding allocated to schools by the government. It is for schools to decide how the Pupil Premium is spent, as they are best placed to assess what additional provision should be made for the individual pupils at their school.

The level of the premium was £600 (2012) and currently £900 (2013) rising to £1,300 per eligible child from September 2014. Eligible children are those on Free School Meals (FSM) and pupils in care who have been continuously looked after for six months.

The total amount of pupil premium allocated in 2012-13 - £10,020

The total amount of pupil premium allocated in 2013-14 - £20,966

### **How this money is spent**

The targeted and strategic use of pupil premium may include:

- Quality first teaching provided by the teacher within class and quality interventions provided by support staff.
- Providing small group intervention work with experienced staff focussed on overcoming gaps in literacy and numeracy.
- One on one support from teaching assistants.
- Individual and small group intervention for children experiencing social and emotional difficulties.
- On the staff we provide specialists such as art therapists/play therapist.
- On the staff we provide specialist SEN and Speech and Language support to work with individual pupils.
- We provide 1:1 and small group targeted tuition from experience teachers for children at Key Stage 2 who are struggling to achieve the expected level by the end of the Key Stage.
- Further money from the budget, as needed, is added to the pupil premium to ensure that all pupils make the required progress and are properly supported in class.
- Subsidising curriculum enrichment activities and educational visits
