

Yesoiday Hatorah School Child Protection Policy

Last update: May 2017

Next review: May 2018

Introduction

Staff at Yesoiday Hatorah School are committed to the principles of the 'Every Child Matters' framework – that every child has the opportunity to fulfill their potential and no child slips through the net. We strive to ensure effective communication across professional services, in particular, health services, the police, social services and Sure Start Children's Centre. The framework for 'Every Child Matters' links with our mission statement:

Working together enables each child to reach his or her potential.

1. Background

We recognize that "...because they are in regular and frequent contact with children, school staff are particularly well placed to observe signs of abuse" (DFE Circular 10/95 and Working Together under the Children Act 1989). The school is therefore aware of the responsibilities, which the school and its staff have with regard to the protection of children from abuse and from inappropriate and inadequate care, and is committed to reacting in all cases where there is concern.

2. Designated Teacher

In accordance with the Circular 10/95, the school has Designated Safeguarding Leads who work closely with the Head Teacher. All adults working in the school know the names of the Designated Safeguarding Leads. All teachers have access to this policy.

The Safeguarding Team are:

The DSL for the School is Mrs R Greenberg 07977 494097

The Deputy DSL for the School is Mrs S Singer 07944 250330

The DSL for the Nursery is Mrs S Bamberger 07717 333 733

The DSL for the Creche is Mrs S Singer 07944 250330

The Appointed Governor for DSL issues is Mr M Bamberger 07980 308411

Head Teacher and Safeguarding Committee Head Teacher Rabbi Yodaiken

Safeguarding Team Admin support Mrs N Davies

The external Anti-Bullying Officer is Mrs N Sher

All staff have been made aware of these roles and have read this policy and the DfE Keeping Children Safe Part 1 document.

The responsibilities of the DSL are as follows:

- To be responsible for ensuring that effective communication and liaison with social services and other agencies takes place as appropriate in the event of staff having child protection concerns about a pupil.
- To ensure that staff (including the headteacher, teachers and non-teaching staff) have an understanding of child abuse and its main indicators and are aware of the schools and their own child protection responsibilities. All staff attended at least level 1 safeguarding training.
- To support and advise staff in their child protection work.
- To provide specialist input into the planning of the content of delivery of the personal, social and health education curriculum (including the informal curriculum) with respect to child protection issues.
- To maintain his/her own knowledge and awareness of the issues, policy and practice of child protection, through regular attendance at appropriate training courses. Both the DSL and the Deputy DSL to do at least level 2 safeguarding training.

3. In – School Procedures

In the event of a member of staff having a child protection concern about a pupil, s/he will immediately inform the DSL and record accurately the event/s giving rise to the concern, If a child expresses a wish to disclose some sensitive information the member of staff should choose an open area which still affords confidentiality. The action taken subsequently is detailed in The Memorandum of Good Practice (Criminal Justice Act, 1991). Each teacher has their own concerns sheet folder which should be passed on to the DSL should there be an episode of concern. If a child cannot vocalise an issue to a member of staff there is the option to write about a problem and post it in a concern box. These boxes will be monitored by Mrs N Sher.

4. Nominated Governor

There is a nominated governor for Child Protection – Mr M Bamberger

5. Safer Recruitment/Vetting / DBS

Every person who comes into the school who has contact with the children will be vetted including: List 99 Police Check, Enhanced DBS certification, Barred Teachers List and Childcare (Disqualification) Regulation 2009. The school will keep up-to-date with any new legislation and good practice regarding vetting protocols. This will reinforce the fact that this school is a 'safe' school where we are ever vigilant in the

protection of our children. The school checklist for safer recruitment is attached as an appendix reference should also be made to the schools Recruitment Protocol Policy.

6. Listening to children

The Level of Child Abuse

The incidence of child abuse is much higher than many teachers and support staff imagine, and is frequently at the hands of a person known to the child. There are several types of abuse - mental, physical, sexual and emotional abuse, all of which can form the basis of bullying. What needs to be remembered is that a high percentage of bullies have themselves been abused so that history is repeating itself.

Symptoms of Abuse

Signs of physical abuse include:

- Injuries that are not adequately explained by the pupil.
- Current bruising injury, with a long history of bruises and accidents.
- Injuries getting progressively worse, or occurring in a time pattern (e.g. every Tuesday morning or after visits to relatives).
- 'Grip' marks on arms (may indicate severe shaking) or 'slap' markings (especially cheeks, buttocks, arms or legs).
- Long marks which could be from a belt or cane.
- Stub marks that might be from a cigarette.
- Bruising on both sides of the ear. Any 'symmetrical' bruising is suspicious.
- Teeth marks from a bite.
- Scalding to both soles of the feet.
- Bruised eyes, especially if both at once. (A doctor or the school nurse can usually tell whether the bruised eye is spread-bruising from an accidental bump to the nose or more likely to have been a fist to the eye).
- Constant attention seeking; over-pleasing/compliant behaviour, 'frozen watchfulness'.
- Running away.
- Kept away from school medical inspections and check-ups.
- Reluctant to go home after school.

Signs of sexual abuse:

- Sudden changes in behaviour or school performance.
- Displays of affection in a sexual way inappropriate to age.
- Tendency to cling or need constant reassurance.
- Tendency to cry easily.
- Regression to younger behaviour, such as thumb sucking, playing with discarded toys, acting like a baby.
- Complaints of genital itching or pain or publicly playing with themselves.
- Distrust of a familiar adult, or anxiety about being left with a relative, a baby-sitter or lodger.
- Unexplained gifts or money.
- Depression and withdrawal.
- Apparent secrecy.

- Wetting, day or night.
- Sleep disturbances or nightmares.
- Chronic illnesses, especially throat infections and venereal disease.
- Anorexia or bulimia.
- Self-mutilation, attempted suicide, frequently running away.
- Fear of undressing for gym.
- Phobias or panic attacks.

Signs of emotional abuse include:

- Physical, mental and emotional development lags.
- Admission of punishment that appears excessive.
- Over-reaction to mistakes.
- Continual self-depreciation.
- Sudden speech disorders.
- Fear of new situations.
- Inappropriate emotional responses to painful situations.
- Neurotic behaviour (e.g. rocking, hair-twisting, thumb sucking).
- Self-mutilation.
- Fear of parents being contacted.
- Extremes of passivity or aggression.
- Drug/solvent abuse.
- Running away.
- Compulsive stealing, scavenging.

Signs of neglect include:

- Looks extra thin and poorly.
- Well below average in height and weight; 'failing to thrive'.
- Complains of hunger, lacking energy.
- An untreated condition or injury.
- Has repeated accidents, especially burns.
- Left alone at home inappropriately.
- Repeatedly unwashed or smelly.
- Kept away from school check-ups.
- Reluctant to go home.

This is not an exhaustive list and some symptoms are indicative of all the different forms of abuse.

Some staff will have a particular contribution to make in listening to children who have not been through the experience of abuse. It is important that this work is not undertaken at a time when it may impact on any legal processes through which the child may be involved and that it does not clash with any therapeutic interventions provided by other agencies. All staff are aware that if they are selected by a pupil to hear disclosure of abuse, they must comply with guidance given in *Memorandum of Good Practice* (Criminal Justice Act 1991).

7. Records

All records and witness statements relating to child protection concerns and cases will be kept confidential. Access will only be via the Head Teacher, Deputy Head Teacher and the designated teachers. LEA guidance on record keeping and transfer of records will be strictly followed.

8. Parents and Carers

Parents should be aware that staff at the school will take any reasonable action to ensure the safety of its pupils. In cases where the school has reason to be concerned that a child may be subject to ill-treatment, neglect or other forms of abuse, staff have no alternative other than to inform Social Services of their concern.

Parents and Carers are informed of this policy through the school Prospectus and Newsletters. All policies are available to Parents and Carers at the school office.

Parents will not be informed of concerns unless staff are certain that safety of the child will not be prejudice by their doing so. Parents have no right to information to school records relating to Child Abuse – Education (School Record) Regulations 1989 and DFES Circular 17/89.

9. Training

The school recognizes the importance of regular training for all staff. Therefore:

- 1) All staff will attend appropriate training. To include at least, basic LEA initial training equivalent, regular up dates and more frequently when changes in procedure and legislation require it – for detail ask Mrs Greenberg/Mrs Young.
- 2) All staff both teaching and non-teaching, who come into contact with children, will receive appropriate training – level 1 safeguarding.
- 3) Anyone joining the school staff will be briefed fully concerning their responsibilities within child protection procedures before beginning their duties. An appropriate induction programme and training for temporary staff to be arranged by the DSL. This involves a short meeting, self validation of the temporary or new staff member reading the CPP Policy.

10. Procedure Handbook

The designated teacher needs to have appropriate training and should know:

- how to identify the signs and symptoms of abuse and when to make a referral;
- the local Area Child Protection Committee and/or LA procedures and the designated teacher's role within them;
- the role and responsibilities of the investigating agencies and how to liaise with them;
- the requirements of record keeping;
- the conduct of a child protection conference and how the designated teacher, or another member of staff, can make an appropriate contribution to it.

- Minimum of level 2 safeguarding training.

The Child Protection Policy handbook will be kept in the Head Teacher's office. All staff has a copy of the policy. The DSL will ensure that all staff are aware of this and understand their responsibilities and the need to follow procedures at all times.

11. Child Protection Conferences

The school will ensure that all child protection case conferences are attended by a member of staff who is properly informed about the immediate concerns as well as about the child and his/her history. Full reports to conference, in accordance with procedures will be sent to the Child Protection Office in advance where necessary, or multiple copies taken to the Conference where time given is limited.

12. Staff Support

The stress of staff involved in any aspect of child protection work is considerable and the school will ensure that such staff are properly supported. The Head Teacher and DSL will be responsible for ensuring that support from outside school is sought where appropriate.

13. Looked After Children

Any looked after children who attend the school will have a designated teacher who will be responsible for their wellbeing. It will be this teacher's responsibility to ensure that a Individual Education Plan (IEP) for each child in Public Care is completed by the most appropriate person usually the class teacher.

14. Internet

Children will not be allowed to use the internet. There is an internet safety policy which is to be followed at all times.

15. Photographs & Mobile Phones

School policy on the use of photograph and mobile phones is regularly revised and updated to ensure safeguarding protocols are in place. Please see individual policies.

16. Coherence

The Child Protection Policy will be completed and supported by other school policies and practice. In particular the school policies relating to:

- i. Equal Opportunities
- ii. Behaviour Policy (anti-bullying)

- iii. Sex and relationship education policy
- iv. Homework policy
- v. Drugs education policy
- vi. Attendance policy
- vii. Health & Safety Policy
- viii. Internet Policy
- ix. Photograph Policy
- x. Mobile Phone Policy
- xi. Safer Recruitment Protocol
- xii. YHS Guidelines on child protection for staff, visitors and contractors leaflet

17. Allegations

Any Allegations made against staff will be taken to the Head Teacher immediately. School Policy will be followed. If there is an allegation of abuse made against the Head Teacher the Chair of Governors will be informed or the Child Protection Governor.

18. Monitoring and Evaluation

There is a necessity for on-going monitoring of the policy. This will take place on an annual basis and include the evaluation of:

- 1) The knowledge of the system by all staff
- 2) An awareness of key issues by pupils and parents
- 3) The use of procedures
- 4) Curriculum provision

The DSL, Headteacher and Governors linked to Safeguarding will carry this out. However the system will only operate effectively if people's awareness is highlighted through training, education and information.

The DSL and governor will together provide a brief annual report of measures which will ensure the effective implementation of the policy. This report will be made available to the other governors annually at the governors meeting.

19. Safeguarding and the Curriculum

Safeguarding will form part of the curriculum in the following school areas:

- SEALS work
- PSHE
- Kodesh
- Visits of the local police and fire service
- Assembly work

It is necessary to ensure that these issues are earmarked and integrated in the school day.

ETHOS & MISSION STATEMENT

Yesoiday HaTorah School prides itself as a school which instills within its pupils, through example and by education, a strong emphasis of respect and tolerance for peoples of all faiths, genders and cultures. We have a zero tolerance approach towards racism, bullying and name-calling of any type in relation to any of the protected characteristics.

We endeavour to instil in our pupils a knowledge of the Torah, good character traits and a love of G-d. Our general aims are to prepare the children for a life of Torah and mitzvos, to deliver the National Curriculum, (whilst recognising each child's individual character, abilities and intellectual and emotional strengths) and to develop them so as to become honourable, law-abiding British citizens who honour and respect the British Values system. The school's teachers are committed to identifying and responding to the pupils' learning needs; to developing each child to their full potential and challenging them to achieve the highest standards, according to their abilities, in all their studies.

It is the policy of the school that our religious standards and moral beliefs be respected and adhered to by any person visiting the school or having any interaction with our pupils.

At Yesoiday HaTorah School we endeavor to ensure that every child counts and each child's unique contribution is clearly valued by the school. We pride ourselves on ensuring that the educational provision encourages our pupils to improve in all aspects of their life, be it academic or personal development, within a context of aspiration and hope. Students are taught to love and cherish their religion and culture, to explore its rich depths and to be enriched by them; and that living an ethical life is a privilege rather than a burden. They are also taught to respect people of other faiths (or no faith), those who come from different cultures and those who choose to lead different lifestyles.

Yesoiday HaTorah aims and strategies :

Understanding the needs of the wider community	

Strategies

Create an open-house policy between the school and parents
Teacher to be receptive to the children
The children to be encouraged to be inquisitive
The children to be treated as individuals, with feelings.

In fulfilling these aims, Yesoiday HaTorah School will be a place where every child is taught according to his entitlement academically, emotionally and socially. The children will learn and the staff will work in a happy and relaxed atmosphere, where parents are welcomed as part of the school, all benefiting from mutual support and encouragement.

Appendix A

Head teacher’s response to the Ethos and Mission Statement

It is my privilege to be the head teacher of Yesoiday HaTorah School for nearly three decades. During that time I’ve seen the school grow in both numbers and the educational provision which we provide. As a faith school it is our privilege and responsibility to be part of a framework of unity within diversity. Every faith, culture and ethnicity brings with it a rich contribution to modern Britain which I would like to demonstrate by way of reference to the Beis Hamikdosh – the Holy Temple. The Menorah – candelabra within the Holy Temple had seven lights; one central light and six lights which traditionally faced the central light. Metaphorically speaking, each of these lights refer to a different approach to choose spirituality in which there is diversity but in the final analysis each sector must face the centre, must join together in unity and fraternity. This is the theme and mission of Yesoiday HaTorah School; on the one hand to be unique in providing our pupils with an education that synthesises Torah Values and a National Curriculum and at the same time embraces modern Britain which brings with it so many different lights of diversity. We pray and hope that this concept will bring peace, fraternity and harmony between all citizens of Britain.

Suggestion for the Concern Box

We are safe and respected at Yesoiday HaTorah School

If you have a problem you can do the following

Speak to

- Your parents
- Your class Rebbes, teachers or teaching assistants
- The adults caring for you at lunch time or on the playground

Dear Colleague

Childcare (Disqualification) Regulation 2009

In April 2014 the Department for Education published "Keeping Children Safe in Education" which sets out what schools and colleges must do to safeguard and promote the welfare of children and young people. Under additional guidance recently published, schools have been informed that they must undertake an additional safeguarding check on current and future staff to ensure that no one who is disqualified is employed in connection with:

- Early Years Provision (including education or any supervised activity outside school hours), or
- Later Years childcare outside of school hours for children who have reached the age of 5 years but have not yet reached the age of 8 years, which includes before and after school care.

We have carefully considered the statutory guidance and have decided this could on occasion be relevant to **all** staff.

As a result, I have a legal obligation to make you aware that you have a duty to report any relevant information regarding particular criminal offences including - a caution or conviction for any offences by an adult against or involving children; any sexual offences; murder, manslaughter, false imprisonment or assault, about yourself and also about anyone living or working in the same household as you. You are not required to specifically make enquiries of the householders (or people living within your block of flats) but you must declare any relevant information of which you are aware.

Please therefore complete the attached questionnaire and declaration and return to Mrs Sills as soon as possible. An envelope is provided to maintain your privacy.

If you require any further information or have any questions or concerns please do not hesitate to contact me.

Thank you for your co-operation and for taking this matter so seriously.

Yours sincerely,

Mrs S Sills
Clerk to the Governors
