.....

1. Aims

Our school aims to meet its obligations under the public sector equality duty by having due regard to the need to:

- Eliminate discrimination and other conduct that is prohibited by the Equality Act 2010
- Promote respect for all people

2. Legislation and guidance

This document meets the requirements under the following legislation:

- [The Equality Act 2010](#), which introduced the public sector equality duty and protects people from discrimination
- [The Equality Act 2010 \(Specific Duties\) Regulations 2011](#), which require schools to publish information to demonstrate how they are complying with the public sector equality duty and to publish equality objectives

This document is also based on Department for Education (DfE) guidance: [The Equality Act 2010 and schools](#).

3. Roles and responsibilities

The governing board will:

- Ensure that the equality information and objectives as set out in this statement are published and communicated throughout the school, including to staff, pupils and parents, and that they are reviewed and updated at least once every four years
- Delegate responsibility for monitoring the achievement of the objectives on a daily basis to the headteacher

The headteacher will:

- Promote knowledge and understanding of the equality objectives amongst staff and pupils
- Monitor success in achieving the objectives and report back to governors

All school staff are expected to have regard to this document and to work to achieve the objectives as set out in section 8.

4. Eliminating discrimination

The school is aware of its obligations under the Equality Act 2010 and complies with non-discrimination provisions.

Where relevant, our policies include reference to the importance of avoiding discrimination.

Staff and governors are regularly reminded of their responsibilities under the Equality Act, for example during meetings. Where this has been discussed during a meeting it is recorded in the meeting minutes.

Senior leaders regularly liaise with staff regarding any issues and make governors aware of these as appropriate.

5. Advancing equality of opportunity

As set out in the DfE guidance on the Equality Act, the school aims to advance equality of opportunity by:

- Removing or minimising disadvantages suffered by people which are connected to a particular characteristic they have

- Taking steps to meet the particular needs of people who have a particular characteristic
- Encouraging people who have a particular characteristic to participate fully in any activities

In fulfilling this aspect of the duty, the school will:

- Publish attainment data each academic year showing how pupils with different characteristics are performing
- Analyse the above data to determine strengths and areas for improvement, implement actions in response and publish this information

6. Fostering good relations

The school aims to foster good relations between those who share a protected characteristic and those who do not share it by:

- Promoting respect, friendship and understanding to all
- Holding assemblies dealing with relevant issues. Pupils will be encouraged to take a lead in such assemblies and we will also invite external speakers to contribute
- Working with our local community.
- We have developed links with people and groups who have specialist knowledge about particular characteristics, which helps inform and develop our approach

7. Equality considerations in decision-making

The school ensures it has due regard to equality considerations whenever significant decisions are made.

The school always considers the impact of significant decisions on particular groups. For example, when a school trip or activity is being planned, the school considers whether the trip:

- Is accessible to pupils with disabilities
- Has equivalent facilities for boys and girls

8. Equality objectives

Objective 1: Undertake an analysis of recruitment data and trends with regard to race, gender and disability by July, and report on this to the staffing sub-committee of the governing board.

Objective 2: Have in place a reasonable adjustment plan for all staff and students with disabilities by July, to meet their needs better and ensure that any disadvantages they experience are addressed in the new academic year.

Objective 3: Increase the representation of teachers from black and minority ethnic communities over a 4-year period (from this July to July in 4 years' time), so that this group has some representation on the teaching workforce.

Objective 4: Train members of staff and governors involved in recruitment and selection on equal opportunities and non-discrimination by the beginning of the next academic year.

9. Monitoring arrangements

The headteacher will update the equality information we publish, at least two years.

This document will be reviewed by the governing body at least every 4 years.

This document will be approved by the headteacher and ratified by the governing body.
