

PE and Sports Premium Funding 2017 - 2018

Report at March 2018

Primary School's Sports Funding

The government continues to support primary PE and sports premium funding based on the number of pupils in years 1 – 6. Yesoiday HaTorah is entitled to £16,000 plus £10 per pupil For the year 2017/18 Yesoiday HaTorah will receive £22,210 (£10,990 2016/17) PE and Sports Premium Funding.

Purpose of Funding

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2017 to 2018 academic year, to encourage the development of healthy, active lifestyles.

This means that we will use the premium to:

- develop or add to the PE and sport activities that Yesoiday HaTorah School already offers
- make improvements now that will benefit pupils joining the school in future years

2017/18 Allocation

The focus for 2017/18 continues to be staff training and the funds have been spent as indicated in the funding summary below. In prioritising the continued professional development of staff within the PE curriculum, teacher confidence and expertise will continue to develop. The school and children will benefit also from high quality resource materials in PE.

Funding Summary

	2014-15	2015-16	2016-17	2017-18
Government Grant	£10,665	£10,890	£10,990	£22,210

Permanent Sports: Markings/Facilities	55%	-	-	
Sports Resources	15%	10%	15%	29%
Sports Training & Coaching /CPD	30%	90%	85%	71%

Impact

The pupils have 55 minutes informal physical activity every day, plus 70 minutes per week formal physical activity. This includes breaks as well as P.E. and games lessons.

Classes have had the benefit of Little Sports coaching which has increased the range and abilities of the pupils. At lunchtime they have introduced new activities as well as increasing the take up of regular sports. In lesson time they have taught the children new techniques, skills and built up the confidence of the full cohort including the less able and physically challenged.

Specialist Sports training for staff has continued as well hands on weekly training during lessons. This has led to more interclass competitions run by staff and an increasing confidence and competency amongst all staff.

This year the school are adding to its stock of resources to increase the teachers' confidence and ability to teach all areas of P.E. We are also updating our equipment so that all the pupils are able to access all areas of the curriculum.

While the school does not currently include swimming in the scheme, 90% of our year 6 cohort have had formal swimming lessons and 75% are able to swim at least 100 meters.
