

PE and Sports Premium Funding 2018-2019

Report at March 2019

Primary School's Sports Funding

The government continues to support primary PE and sports premium funding based on the number of pupils in years 1 – 6. Yesoiday HaTorah is entitled to £16,000 plus £10 per pupil for the year 2018/19 Yesoiday HaTorah will receive £22,350 (£22,210 2016/17) PE and Sports Premium Funding.

Purpose of Funding

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils, in the 2018 to 2019 academic year, to encourage physical activity and an active lifestyle.

This means that we will use the premium to:

- develop or add to the PE and sport activities that Yesoiday HaTorah School already offers
- make improvements now that will benefit pupils joining the school in future years

2018/19 Allocation

The focus for 2018/19 is the engagement of all pupils in regular physical activity. The school continues to provide staff with professional development, mentoring, training and resources to help them teach PE and sports more effectively. High quality sports coaches are working with teachers to enhance and extend current opportunities for pupils. In addition, new and engaging equipment has added to the PE resources in the school.

Funding Summary

	2014-15	2015-16	2016-17	2017-18	2018-19 anticipated
Government Grant	£10,665	£10,890	£10,990	£22,210	£22,350
Additional Private Donation	£1,087	£913	-	-	-

Permanent Sports: Markings/Facilities	55%	-	-	-	-
Sports Resources	15%	10%	15%	29%	30%
Sports Training & Coaching /CPD	30%	90%	85%	71%	70%

Impact

The pupils have 55 minutes informal physical activity every day, plus 70 minutes per week formal physical activity. This includes breaks as well as P.E. and games lessons.

Classes have had the benefit of Little Sports coaching which has increased the range and abilities of the pupils. At lunchtime they have introduced new activities as well as increasing the take up of regular sports. In lesson time they have taught the children new techniques, skills and built up the confidence of the full cohort including the less able and physically challenged. The lessons include reception to year 6 and both boys and girls.

Specialist Sports training for staff has continued, as well hands on weekly training during lessons. We are using lesson observations to check that staff are applying their training correctly and competently and we have seen an increase in confidence when taking a lesson. We are also now running more interclass competitions led by staff.

This year the school are adding to its stock of resources to increase the teachers' confidence and ability to teach all areas of P.E. We are also updating our equipment so that all the pupils can access all areas of the curriculum.

Swimming lessons during the summer term are being considered.
